

AWQAF DEED

In recognition of the waqf thought and philosophy in establishing the projects and extending social services in the framework of sustainable and self-supported system, KAPF established AWQAF Journal deed. Therefore, this journal will not depend on pricing its issues, rather it seeks to realize the aims and objectives for which it was created. It seeks to provide the journal free of charge to all waqf-related researchers, concerned people and research centers.

On the other hand, KAPF is on the lookout for financing AWAQF through soliciting contributions, whether in the form of subscriptions, an issue price or otherwise in an attempt towards authenticating the journal and enabling it to approach waqf as a specialty. This is meant to qualify waqf to take part in social development by bearing part of its responsibilities in extending vital developmental services.
